Make a **BIG DIFFERENCE**

At KSBBBS, we match local youth facing adversity, ages 5+, with a caring adult mentor who can spend a few hours a month with them as a supportive, encouraging friend.

BEST FIT TO BEST FRIENDS

Our meaningful one-to-one match relationships are created based on personality, interests and preferences of each Big & Little

HOW DO BIGS MAKE A DIFFERENCE?

Research shows youth who are matched with a Big:

- Improve their school performance
- Show more self-confidence
- Have a better outlook on life & their future

WHAT ARE THE REQUIREMENTS TO BE A BIG?

- Must be over 18
- Complete a background check, interview, references, & home visit (community-based matches only)
- Commit to seeing your Little for 1 year
