

The Optimist Creed

Promise Yourself-

to attempt that nothing can shake your peace of  
health, happiness, and prosperity in every day  
of your life; that there is something better  
at the lower side of everything and make a  
decision every time  
of the best, to work only for the best  
to be the best.

SILDANA  
CORTES

Long time optimists, Richard Jackson and Dale Fox
