RE: Proximity Park

Dear Franklin County Development Council:

Congratulations on earning the designation as a Kansas Certified Site for Proximity Park.

The Proximity Park site is a valuable economic asset to the state of Kansas. The site has been added to Kansas' exclusive database of development-ready sites through its certification in the Kansas Certified Sites program. Participation in the Kansas Certified Sites program requires that you complete a report annually to ensure that we have current information on file for the site.

We recognize your contribution to economic development in the state of Kansas and appreciate the work you do daily to bring new industry to your region and the state. We pledge to support your marketing efforts for the Proximity Park site by sharing the information through various Department of Commerce communications channels.

Please do not hesitate to contact me if you have any questions regarding the Kansas Certified Site designation. We look forward to working with you on future economic development opportunities.

Sincerely,

David C. Toland
Lieutenant Governor / Secretary of Commerce
