

## Regional Ag Awareness Banners Sponsorship Form

In May of 2023 a group was convened by the Franklin County Development Council to discuss hosting a regional ag summit. The group met and ultimately decided to focus their efforts on ag awareness and promotion. Group members include Anderson, Franklin, and Miami County Conservation Districts, Franklin County Development Council, Franklin County Farm Bureau, Ottawa Coop and K-State Research and Extension, Frontier District.

Current projects include ag themed murals and banners. Five different ag themed banners are currently in production and will be hung in time for National Ag Week, March 17-23, in Garnett, Ottawa and Paola. We are currently seeking banner sponsors. The banners are \$100.00 and are printed two-sided, with the same graphic on both sides. Banner sponsors will be recognized in all marketing efforts (social media, radio PSA's, newsprint, etc.).

**If you would like to sponsor a banner/s, please fill out the bottom portion of this form and send it along with your payment, to Franklin County Farm Bureau Association, 112 W. 17<sup>th</sup> Street, Ottawa, KS, 66067. Make the check payable to Franklin County Farm Bureau Association with Ag Awareness Banners in the memo.**
