### MESSAGE FROM THE PRESIDENT

Fellow Chamber Members,

Summer is nearing its end as we are getting ready for another school year. Time flies when you are having fun. July has been a difficult month for businesses in the area as the stage 2 fire ban kept away the usually big camping crowd in the area. Recent rains and almost daily storms helped get things back on track and we enjoy some increased traffic through the canyon and hope to continue this trend all the way into late fall. There are many events scheduled along the corridor every weekend, and I hope you have a chance to attend the festivities as they are a lot of fun. We are in the beginning stages of planning our 285 Gold Rush, a celebration of the peaking aspen leaf season. The

event will last over 2 weekends late September or early October, depending on the "gold". Our goal is to provide travelers and leaf viewers some excitement along the corridor. Individual businesses as well as centers are welcome to participate as much or as little as they want. We are working on providing every participating business with an inviting yard sign to help attract some people to stop in. We also are working on some discount or special offers to pass along. Please feel free to call me with your ideas and or bring them to the general meeting on Tuesday. We have another busy agenda and are looking forward to having you there.

Make it a lucrative month,  
Marcel Flukiger

**63 Getaway** is like having a camp in thousands of acres of forest & wilderness with all of the comforts of a spacious house with Dish Network satellite TV, high-speed Wi-Fi (wireless) Internet, and DVD and VHS players. Two large wood fireplaces and two outdoor propane BBQ grills and wood fire pits. **!!!FREE FIREWOOD!!!**

Full cooking facilities with condiments. Just bring your groceries and some warm clothes. Evenings are cool even on the hottest days! (Makes our hot tub even more wonderful!)

63 Getaway is a remote Colorado mountain getaway with incredible views adjoining Pike National Forest and a short hike to Mt Evans Wilderness Area. Enjoy

the beauty that nature has to offer yet be close enough to shopping and both conventional and unique restaurants.... Kick back and relax!

Most people will focus on the National Forest and Mt. Evans Wilderness and numerous trailheads nearby.

Others may want to come up and relax on the deck or in the hot tub. In the fall are views of spectacular vistas of golden aspens that blanket the nearby hillsides.

Several other activities within approximately 10 miles.
