- Speaker / Presentation: - Jennifer Anderson Staunton State Park Manager
- Adjourn

Following the meeting: Ribbon Cutting at Bailey General Store in Delwood Square 9AM

MESSAGE FROM THE PRESIDENT:

Fellow Chamber Members,
Woohoo! It's May, or Spring time in the Rockies. With the fair amount of moisture we have received this past month, the expectations for a spectacular Summer are looking more promising every day. I can't wait to see those amazing wild flowers popping up all over the place. It is time to finish up preparations for the busy season in the Canyon. School will be out soon and travel begins to the high country to escape the heat and enjoy the outdoors. This past few months the Chamber has worked hard to show off our area and promote our local businesses. Between the combined 285 Chamber Directory and the new Foothill Adventure Map, along with the numerous publications from our local newspapers, we are set up for increased exposure.

We are going to host the first meeting for Bailey Trails to establish a local team of leaders that is going to continue the efforts of planning a multi use trail system in our area, which could be an amazing change to our local economy. Please feel free to join us on May 15th, 7PM at Lynwood Park in Bailey.

Another mile stone will be set by the opening of our brand new Staunton State Park. Due to the snow storm last month, we had to postpone the presentation by Jennifer Anderson, Staunton State Park Manager, to our general meeting this upcoming Tuesday. We will get an overview of the park, anticipated business impact and a Q&A session. Don't miss out!

Don't forget, Bailey Day is only a little over a month away, so please come to the meeting and find out how you can get involved. Let's celebrate Bailey and the Olde West!

Make it a lucrative month,

Marcel Flukiger
