### MESSAGE FROM THE PRESIDENT

Fellow Chamber Members,

First I would like to thank everyone who has signed up for Bailey Daily Deals and if you have not visited [www.bailey-colorado.org](http://www.bailey-colorado.org) to sign up, please do so, don't miss out. The list is growing and now this becomes a great place to pass on any specials your business has to offer. Log in to your member area and submit your coupon. It only takes a couple of minutes to complete. Special thanks to Jim Sapp for implementing this feature and providing us with other tutorials on how to increase traffic to your business through our Chamber website.

The Holiday season is approaching very quickly. This is the time of the

year where we need to send a message to the Platte Canyon Area residents regarding the importance of shopping locally. Please spread the word at your businesses and in your neighborhoods to attend some of the great events and activities planned during the Holidays.

As always, you are welcome to join us for the general Chamber meeting on the 2nd Tuesday of every month and we are looking forward our next one on November 8th, 7:30AM at the Fire Station on top of Crow Hill. Hope to see you all there.

Make it a lucrative month and  
 Happy Thanksgiving!  
 Marcel Flukiger

## 285 Optimist Club

Community Development Everyone's Responsibility  
By **Ralph Dergance**, District Comm. Develop. Chair

We all know that the future of our organization will depend upon expansion of the number of clubs and increasing the membership in existing clubs. We face quite a challenge given the current economic climate and the demands upon persons' time and resources. To date, we have had considerable success in building new clubs in the District. In fact, we achieved a hat trick in new club building in the Colorado/Wyoming District!

Thanks to the hard work of a team of members of the Tamarac Club and citizens of Cheyenne, Wyoming, we formally organized our FIRST new club, the Cheyenne Optimist Club on July 13, 2011. The chartering celebration was conducted on September 7, 2011. Two members of the Tamarac Club joined this club, and the benefits of having the "corporate

memory" have been obvious in all meetings to date. Congratulation to all who have and will continue to put in considerable effort into this activity!

Lakewood Luncheon Club and the Breakfast Club of Littleton have teamed to form our SECOND new club, the 285 Optimist Club, Colorado. This unique club has members from Conifer, Bailey, and other communities in the area and may reach as far as Fairplay in the future. The club is positioned to help kids from two or three school districts. The club was organized on August 22, 2011 and will enjoy its chartering celebration on September 19, 2011. The rather rapid formation of this club is most certainly due to the heroic efforts of George Ofiesh, along with the rest of the Optimist team. George was deservedly recognized as "Rookie of the Quarter" at the District convention in Breckenridge on August 26, 2011.

Many thanks from all to George Ofiesh for his very energetic and innovative leadership in this task.

Bring the family in on Monday when Kids Eat Free with the purchase of an adult entree. Rustic Station and its owners are active in the community, are supporters of the Platte Canyon Volleyball Team, and are proud to operate their business in the beautiful Platte Canyon Area.

## FITNESS TIP

### TRAIN LIKE AN ATHLETE.

Yes, this means you. Why would you train any other way?

If you want to be better than you are, mentally and physically, you would want to get your body in better condition. No different than an athlete in training. Strength, stamina, speed and power are all components of getting better. Mental discipline is what will help to motivate you to achieve these components. Your mind is what will keep you in the game. If you feel good about training to be better, you will tend to do it more often and become a student of training.

No different than an athlete.

How good of a student you need to be will depend on what your goals are and when you would like to achieve them by. The better the student you are, the quicker you will achieve your goals and be able to enjoy your new status. No different than an athlete.

Ask yourself when you train or exercise. Am I training like an athlete?
