MESSAGE FROM THE PRESIDENT

Fellow Chamber Members,

It is that time of the year again, the Holidays are just around the corner and events along the corridor are plentiful help you celebrate the season.

I would like to thank everyone that contributed to pull off the tough deadlines for our new winter shop local program, in order to start it after Thanksgiving. We have almost 50 members on the postcard and 15,000 copies are in print. Please see our final design below. \$1000 in cash prizes and thanks to the businesses that offered additional gift cards as well. I apologize if anyone got left out and hope to have you be part of it next time. Keep an eye out for the card in The Flume and 285 Hustler during Thanksgiving week and start shopping locally to WIN BIG!

If you thought there are no more commercials for elections, I am sorry to break the news: Please consider being part of the progressive Chamber board to help the continuance of our efforts of the past. We are looking forward to your lucrative ideas pushing and lifting the economy of our micro-market. Please nominate yourself or someone else as a candidate on Tuesday at our general meeting, elections are at our December general meeting.

I hope to see you all at one of the many scheduled holiday events! Happy Thanksgiving from our family to yours.

Make it a lucrative month,

Marcel Flukiger

(And I approve this message)

BUSINESS OF THE MONTH

285Bound.com is a friendly and welcoming community forum whose mission is to help strengthen the ties between neighbors, provide a place where members can freely interact discussing ideas (and have fun!), share vital information that impacts our community, and support the local businesses, nonprofits, and service organizations that are integral to helping our community thrive through donations, partnerships, and sponsorships. We are the go-to resource for Highway 285 webcams, news, events, emergency information, weather, traffic, dining, videos of local meetings, Free Classifieds, and more, serving the communities along the Highway 285 Corridor including, but not limited to, Morrison, Conifer, Pine, Bailey, Shawnee, Grant, and Fairplay.

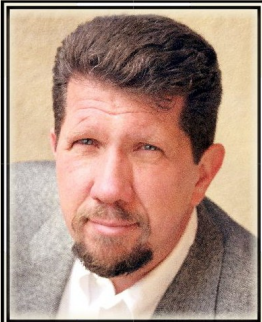

We are dedicated to helping the community stay informed by videotaping various regular meetings, such as the Conifer Area Council Town Hall Meetings, as well as special events such as the Park Co Republican Debates and the Lower North Fork Fire Informational Public Meetings - all of which you can view on our YouTube Channel. Our forums offer businesses and nonprofits a unique method to reach the community they serve in a direct, yet simple way. Our expertise in utilizing social media tools, creating video advertisements, online marketing, and webcam partnerships mean you get the best service for a great price!

In recognition of our efforts, 285Bound.com was chosen earlier this year by the Conifer Area Chamber of Commerce as the **Home-Based Business of the Year**. At the same time, the readers of the Mountain Connection voted 285Bound.com as the **Best Home-Based Business**. We are honored to be chosen by the Platte Canyon Area Chamber of Commerce as Business of the Month - thank you so very much! We are proud of these accomplishments, but are not resting as there is much more yet to be done! As you read this, we are in the midst of a site upgrade which will offer businesses and nonprofits additional ways to reach the community, and provide members and guests with even more features and better service. We invite you to explore the new 285Bound.com site, Like us on Facebook, Follow us on Twitter, Link to us on your websites, and see why we are **Bound to Make a Difference in Our Community!** !

If you have any questions or comments, please feel free to email anytime at ContactUs@285Bound.com or call 720-608-0285.

LOCAL BUSINESS HIGHLIGHT

R&R Roofing & Siding, Inc.

In business for nearly 20 years now, Dennis and Rachel Riesberg are the owners of R&R Roofing & Siding, Inc. They were able to combine their office and warehouse into one terrific facility in Bailey about 2 years ago. Located at 60752 US Hwy 285, they are situated in between the Rustic Station Restaurant and Aspen Peak Cellars new winery facility. Besides the offices, metal shop, and warehouse, visitors can enjoy a relaxing cup of coffee or hot cocoa in the roomy front "showroom." Various displays show the different metal and shingle roof options available, as well as skylights, gutter covers and more.

"Community minded," both professionally and personally, best describes Dennis Riesberg. He's ready and able to help a neighbor with a roof, and is just as likely to be found volunteering to help coach at the middle school. In addition, he and his lovely wife Rachel and their children are very involved with the Park County 4H.

R&R's projects include new construction, remodeling, re-roofing and commercial roofing. They do more than roofing and siding installations, such as custom design and fabrication of chimney caps, flashings, counter-flashings, moldings and more. They also install skylights, snow rails, gutters and roof insulation systems.

"We have dedicated and committed our business to the excellence that it is enjoying today. This is why we have received many awards including the '2010 BBB Longevity Award., their Gold star award, and a current A+ rating," Dennis said.

"Please feel welcome to stop in and meet our staff and check out our showroom!"

60752 S. US Hwy 285, Bailey

Showroom hours are 9am-5pm Mon-Fri with weekends available by appointment
