Sign up on our website or click the link on last weeks e-blast. It's easy, free and another Chamber effort to promote all of us while mother nature is doing it's annual thing. What you offer is entirely up to you. We will provide a yard sign free, as long it is returned at the end of the event, along with radio and newspaper ads. It's one more chance to show off our corridor. If your business does not have access to 285, ask another member to have a booth. Please help each other out. It will be fun! Don't forget the kids activities.

MESSAGE FROM THE PRESIDENT

Fellow Chamber Members,

With fall approaching and the leaves turning, we have scheduled another Chamber sponsored event , the 285 Gold Rush. We are going to provide you with promotional tools, but the success of this event is ultimately up to you. See below for details.

On behalf of all members, I would like to thank Michelle Stuerke for her hard work as the secretary on the board and we wish her and her family all the best with the move.

On another note of the same topic, we are looking for someone to step in as interim board member, and it's not too early to put some thought into the upcoming board elections in December. We have several outgoing board members, with an amazing job well done during their 3 year term. Please consider helping with the progress of building on the foundation this team has put in place.

Make it a lucrative month,

Marcel Flukiger

LOCAL BUSINESS HIGHLIGHT

The 285 Optimist Club is celebrating their 1st year anniversary this September! Optimist Clubs around the world have a common goal and that is "Bringing out the Best in Kids"! Through community service, helping with funding raising projects, and sports and academic programs with our schools, thousands and thousands of Optimists are giving a little bit of their

time from a couple of hours a year to planning and volunteering events to help our kids. The 285 Optimist Club goal is to help kids, schools and support other local organizations helping kids and their families, right here along the 285 corridor. Newcomers/Neighbors Christmas Boutique, driving golf carts at Bandimere Speedway (raising thousands of dollars for youth programs), a Casino night fundraiser for the Elk Creek Elementary PTA, the 9 Health Fair, having a Team in the Relay for Life at Conifer High and more. On September 16th the 285 Optimists will be manning the Kids Activity Tent at the 2nd Wind Funds annual fundraiser - the Denver Dash!

The 285 Optimists hold casual get togethers for our members on the first and third Monday evenings of each month to discuss current and future projects. On the first Monday (unless it's a holiday) we meet at the Mountain Resource Center and provide a light meal for guests and members at 6:10 PM. The third Monday of each month we do something special and meet at one of the local restaurants. In fact, on September 17th we are holding our first anniversary celebration at the Rustic Station (5:30 - 7:00) with a special Meet n Greet for the public with a chance for all to win "Mystery Door Prizes".

You can help a little or help a lot... just Promise Yourself to check us out. For more information on the 285 Optimist Club or about the party at the Rustic Station on September 17th please email

285optimist@gmail.com or call George Ofiesh at 303-522-6525.
