- Type of ownership Circle as applicable. Corporations and partnerships must provide the federal employer identification number.

Commonly, the business name is the name by which the public knows your business/company/shop. If you wish correspondence to be sent to a name other than the owner, enter the name of the department or accountancy firm as "In Care Of" to ensure delivery by the postal service.
- Location and Date of event/ swap meet Enter the address and date of the special event or swap meet. If you do not know the actual address of the event, enter the city/town name in which the event will be held. The location is very important in determining whether an additional city/town license must be obtained for those licensed by the state. Use the City or Town Licensed By The State chart below to determine if you must be licensed through the state for the location in which your event occurs. For cities not listed, please contact the city directly. Also add the city fee amount to the license fee which appears in the lower right corner of the front page.

Even if your mailing address is a PO Box, you must provide a physical location. For example if you live in a rural community, your physical location may be the intersection of two roads, interstates, or milepost marker.
- Description of business Describe the major activity and principal product you manufacture or commodity sold or service performed. Your description of your business is very important because it determines your sales tax rate and provides a basis for state economic forecasting.

- Signature The application must be signed by either the individual owner or, for partnerships or corporation, two partners or two corporate officers.
