Automatically added to the Chamber Advertising System

The Chamber Operating System is setup at the Regional Chamber Alliance, leading to becoming an extraordinary and powerful local search engine.

The search functions become very powerful as members are optimized on our system.

When you become an advertising sponsor on the Regional Chamber Alliance website we provide you with assistance in setting up your online advertising system so that you will be found successfully for the searches people are making to find your products and/or services.

As a Platinum participant, you are automatically added to the Chamber's Advertising System. Just added benefit!

the "DETAILS"

Annual Golf Classic Includes: golf for 4, 2 extra meals, 1 full page ad in program, 1 hole sign in the largest display, promotion in newsletter, website, flyer & electronic news.

This is not your typical annual dinner Includes: dinner for 4, full page ad in program, 1 sign in the largest display, promotion in newsletter, website, flyer & electronic news. OR the same for semi-annual business expo (exhibitor table replaces dinner for 4).

6 BASH Networking Events Includes: 2 meals (when applicable), display of materials at event, three minute presentation at event, and recognition on website, flyer & E-newsletter.

Website "Main Street" Billboard Includes: Full year of logo display & link on website's "Main Street" (as well as on traffic catcher, relocation guide and in members' area).

Publication Distribution Includes: We distribute hundreds each year and your company is noted, with links to your website, on each one. In our annual 4-6 Daily News publications, quarterly print newsletter and RCA video presentation, we prominently place your logo as a Community Sponsor.
