

EARN 1-YEAR MEMBERSHIP

It's the "Sizzlin' Summer Membership Drive!"

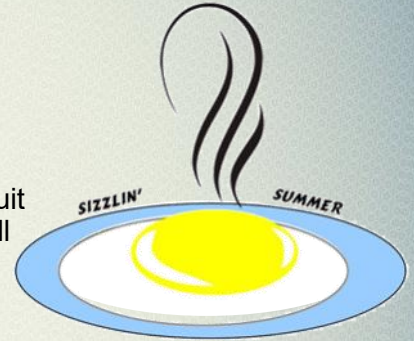

Southwest Valley Chamber members can earn a 1-year membership for recruiting new members. Here's how it works:

Beginning June 1 you will receive \$50 credit for each new member you recruit to join the Chamber. On your fifth new member during this campaign you will receive a bonus \$290 credit towards your membership renewal.

That's \$490 Chamber credit waiting for you.

A bigger Chamber of Commerce means more for you, your business, and the community.
HINT: Make sure they put your name for the 'How did you hear about the Chamber' question.

Help yourself, help your business friends, and give the Chamber a louder voice in the community. This campaign ends August 31, 2019 and all other recruiting/referral programs are suspended during this period. Call the Chamber office with any questions and happy recruiting!
