## Delta Adds Additional Grand Forks Flight

The City of Grand Forks announced that Delta Air Lines, in partnership with SkyWest Airlines, will enhance service at Grand Forks International Airport (GFK). Beginning April 13, 2026, Delta will add a fourth daily flight between GFK and Minneapolis-St. Paul (MSP), bringing service closer to pre-2019 levels. All Delta Connection flights operated by SkyWest will utilize the premium CRJ550 regional jet.

"Expanding commercial air service at Grand Forks International Airport has been one of my top priorities," said Mayor Brandon Bochenski. "The return of a fourth daily Delta Connection flight is an important step in strengthening travel options for our business community and residents."

"We're excited to add this daily Delta Connection flight for Grand Forks travelers," said Cody Thomas, Managing Director of Market Development at SkyWest Airlines. "This added service means more connections, greater convenience, and an enhanced onboard experience with the CRJ550."

Grand Forks was the only airport to receive additional MSP service in this round of Delta schedule updates. Tickets were made available for booking on November 15, 2025, for travel beginning April 13, 2026.

The Mayor's Air Service Committee is also awaiting updates from United Airlines regarding potential daily service to Denver and Chicago.

The Chamber and many of its members have made a financial commitment to support this new service when it is made available likely mid 2026.

Connect

We provide opportunities for business to connect with other businesses.

Educate

We provide education opportunities for your business and employees.

# From Burnout to Buy-in:

## The Business Case for Workforce Well-being (AND, How to Get Started Right Away)

Wellness programs are often pushed forward, something that we business leaders sometimes say we will get to right after this other urgent goal. But prioritizing well-being amongst employees, people leaders, and within the programs and services you offer can be just the trick that makes your business more effective, more authentic, and ultimately more sustainable in the long term.

In this interactive session, we'll share with you our favorite highlights from regional case studies, proving why investing in well-being is critical to grow your business; but we'll also share free, tested resources from our toolkit and work together through conversation and activities on ideas that are customized to your unique worksite wellbeing challenges, looking for opportunities to help you get started right away.

### Wednesday, January 21, 2026

11:30 am - 1:00 pm - Chamber of Commerce Board Room

### Brown Bag Seminar

*Presented by...*

**Nicole Benson is the Director of Organizational Wellbeing at Live Well Grand Cities**

Having supported local business in employee wellness since 2022 while working with the Blue Zones Project, Nicole knows that most people spend over 25% of their time at work and she has developed a passion for helping leaders bring out the best in their teams by truly committing to well-being.

**Dawn Rognrud is the Director of Food Systems with Live Well Grand Cities**

As President of the Town Square Farmer's Market and a graduate of UND's School of Business, Dawn is deeply dedicated to helping small business owners in our region grow while prioritizing wellbeing within the workplace, which is an important component to business growth.

**shilo virginia previti is Live Well Grand Cities' Director of Advocacy**

With cross-sector experience including in the professional education field, the restaurant management industry, and with local non-profits, shilo has plenty of lessons learned to share when it comes to examining your spaces and policies with a goal of implementing positive change.

For our presentation, we will provide handouts to enhance interactive elements of the workshop session. Participants will be able to keep these free tools as a personal and professional resource in the future.

## U.S. News & World Report's 2026 Best Nursing Homes Analysis Names Valley Senior Living on Columbia Among the Best in North Dakota

Valley Senior Living on Columbia has been recognized as a Best Nursing Home for 2026 by U.S. News & World Report. This ranking places Valley on Columbia as one of five nursing homes in North Dakota to receive this designation.

Since its debut in 2009, the annual U.S. News Best Nursing Homes analysis has served as a resource, providing trusted, data-driven insights to families - in consultation with their health care providers - seeking the best options for either short-term rehabilitation or comprehensive long-term care. A High Performance designation, the highest level of recognition offered by U.S. News, was awarded to Valley Senior Living on Columbia for outstanding quality in short-term rehabilitation and long-term care.

U.S. News' annual evaluation of nursing homes is highly selective, recognizing fewer than 19% of the evaluated U.S. nursing homes as "Best Nursing Homes" as part of the 2026 ratings. This designation is reserved only for facilities that satisfy U.S. News' rigorous, proprietary assessment criteria demonstrating a consistent and superior commitment to quality resident care.

For the 2026 edition, U.S. News Best Nursing Homes' proprietary ratings feature a significant methodology update, expanding both the short-term rehabilitation and long-term care ratings to include 17 distinct quality measures each, offering a comprehensive assessment. U.S. News evaluated nearly 15,000 nursing homes on resident outcomes, such as hospital readmission rates, staffing levels, health inspection results, and other indicators of quality.

For more information, visit [USNews.com](https://USNews.com) and explore #BestNursingHomes on Facebook, Instagram, Threads, TikTok and X.

of U.S. adults agree that their local chamber of commerce is a **trusted resource and partner** for businesses.

feel that their local chamber has an impact on **growing businesses locally**.

## Easterseals Goodwill North Dakota Announces Dr. Mary Van Haneghan as New Chief Executive Officer

*Dr. Mary Van  
Haneghan*

The Board of Directors of Easterseals Goodwill North Dakota is thrilled to announce the appointment of Dr. Mary Van Haneghan as the organization's new Chief Executive Officer, effective August 11, 2025.

Following a comprehensive and highly competitive national search led by Sagency, an executive search and leadership consulting firm, the search committee unanimously and enthusiastically recommended

Dr. Van Haneghan to the Board of Directors. Her appointment marks an exciting new chapter for the organization.

"I am honored to build upon this legacy and lead Easterseals Goodwill North Dakota into its next chapter of impact and innovation," said Dr. Van Haneghan.

Dr. Van Haneghan brings over two decades of experience leading local, state, and national nonprofit organizations with budgets exceeding \$50 million and teams of 500+ across both centralized and remote settings. She is known for providing steady, visionary leadership—especially during transitions following long-tenured CEOs—and is recognized for her focus on operational excellence, financial stewardship, and strong community engagement.

In addition to her expertise in nonprofit leadership, Dr. Van Haneghan brings significant experience in retail operations, real estate, and property management—key elements of Goodwill's business model. She has successfully managed extensive thrift operations, led high-impact social enterprises, and implemented strategic business initiatives that resulted in meaningful growth and operational efficiency.

Yet Dr. Van Haneghan's story is not just one of strategy and numbers—it is rooted in heart. She has dedicated her career to advancing equity and opportunity for underserved communities, with a focus on people with intellectual and developmental disabilities (IDD), as well as veterans, military families, opportunity youth, older adults, and individuals facing barriers to employment. Her work has spanned workforce development, inclusive education, job training, and employment support programs funded at the local, state, and federal levels.
