On behalf of The Chamber Ag Committee we invite you to be a sponsor

The Chamber Agriculture Committee would like to present a triple event sponsorship opportunity to you. After a detailed review, the committee designed an opportunity to join our City to Farm Tour and Ag Producers Social. This gives the guests from our tour, the opportunity to visit with our area producers at the social event.

First Event:

The **City to Farm Tour** has taken place for several years in this area. It gives local business owners, city officials, etc. a peak into the farming industry.

Second Event:

The **Ag Producer Social** Event is aimed at involving all farmers in the Grand Forks/East Grand Forks Area. This is the Third annual event that Adams Farms have hosted and we look forward to another successful year.

Third Event:

Ag Appreciation Banquet November 19, 2020

Ramada Inn, Grand Forks, ND

The Chamber's Agribusiness Committee has been organizing this evening of dinner, entertainment and fellowship for over 18 years. The generous donations of our sponsors allow over 300 area farmers to attend at no cost.
