

## Chamber Launches New Website Exciting New Benefits for Our Members

The Chamber recently switched software companies to manage our membership database. Along with this switch to Chamber Nation comes some new and exciting online benefits for our members.

The Chamber's website, [www.gochamber.org](http://www.gochamber.org), has been completely revamped. One of the new tabs you'll find is a Members Only tab. This is where you can login and find ways to start promoting your business and making new contacts. Some of the new things you'll find are:

- Social Networking section
- Message boards area
- Referral/tips program
- Coupons area
- Job Posting area
- List your business as one that has free WiFi
- Even build yourself a business website if you don't have one, with your own unique URL, and all FREE of CHARGE and hosted FREE of CHARGE. This is a benefit offered only to our members as part of the software package we chose.

All Chamber members will receive an email next week with your own username and password. Login and take a tour. There is a special Member Support service to help you take full advantage of these special benefits. All at NO CHARGE to our members.

We are excited to roll out this new system and look forward to learning more about it right along with you.

Check it out at

**“Kick Butt” Sales Training Offered**

The Chamber is brining Pat Schuler from the Twin Cities to Grand Forks on **May 20<sup>th</sup>** to offer her “Kick Butt” Sales Training to area businesses. The Chamber’s Small Business Committee is bringing in this top notch sales training in continued response to member requests for quality sales training.

Proof of her training effectiveness is in feedback from her clients. On average people who have taken her course report a 37% increase in sales in her post training follow-up.

Pat’s approach is very unique. There are no theoretical power point slides. Only real sales training you can use the next day. From how to get in the door to when you should raise and lower

your voice during the sale to affect the close, Pat guides you and teaches you how to be more effective in every aspect of the sale. Check out her web site at [www.kickbuttsalestraining.com](http://www.kickbuttsalestraining.com)

If you are tired of:

- Begging for orders...*
- Discounting your fees...*
- Struggling to get your value...*
- Wasting your precious time with tire kickers...*
- Feeling isolated, like the Lone Ranger...*

then this training is for you!

**The training will be held on May 20th from 1:30pm - 4:00pm at the Guesthouse International. Admission to her seminar is \$69 for Chamber Members and \$89 for non members. Space is limited, sign up soon. Registration deadline is May 17th. Contact the chamber at 701-772-7271 or [info@gochamber.org](mailto:info@gochamber.org) to sign up.**

## *Leadership Vs Management*

The importance of leadership and management is evident by the successes at a number of well know companies, but also by changes in top management at numerous other less successful companies. This Brown Bag will discuss these two situations and consider the answers to the following questions:

- \*Is management and leadership different?
  - \*How are they different?
- \*What is the relationship between leadership and strategy?
- \*What kinds of leadership are required in organizations?
- \*What are the most significant challenges in fostering leadership within organizations?

### **Altru Employees Certified**

Altru registered dietitians, **Ellen Doebler** (Altru Clinic-Main), **Lenae Lee** (Devils Lake), and **Becky Westereng** (Grand Forks Family Residency) - passed their certified diabetes educator examination. Achieving certification status demonstrates to people with diabetes and employers that the health care professional possesses distinct and specialized knowledge, thereby promoting quality of care with diabetes.

Diabetes has become a national epidemic. Today, there are 20.8 million children and adults in the United States, or seven percent of the population, who have diabetes. While an estimated 14.6 million have been diagnosed with diabetes, unfortunately, 6.2 million people (or nearly one-third) are unaware that they have the disease.

### **Link: Engineering Event held on Monday**

Link: Engineering connects students with professionals

Engineering students and professionals will be featured guests at the latest Link event on Monday, April 12. Link, a project created to connect university students and community professionals in the same discipline, will hold this engineering focused event from 5:00-6:30 pm at the Hilton Garden Inn.

Link: Engineering allows students from UND and Northland Community and Technical College the rare chance to talk one on one with professional engineers working right here in Grand Forks/East Grand Forks. Students are encouraged to ask questions about not only what to expect once they graduate, but what opportunities await them in an engineering field in our community. Professionals are encouraged to share their engineering experiences and expertise with students as well as share opportunities their organization or company has or may have available for them in the future. This information gives students an inside look at their field of study and introduces them to great companies in the region.

The event is free and open to any community professional with a career in an engineering related field and to any student interested in pursuing a career in engineering. Find more details or register for Link: Engineering at [www.linkengineering.blogspot.com](http://www.linkengineering.blogspot.com).

The Link project builds on the recommendations made by the Launch Grand Forks project, specifically addressing the recommendation to better connect the university with the Grand Forks community and to retain talented young adults in the region.

A previous Link event was held in February in the field of Communication. Upcoming Link events are planned for the disciplines of Political Science, Psychology, and Business. If any business or academic area of study is interested in having a Link event hosted in their discipline, please contact [michaelas@grandforks.org](mailto:michaelas@grandforks.org).
