

Kimberly Strom – Vice President of Operations

Kimberly Strom began working at The Chamber in November of 2009 as the Administrative Assistant. In May of 2010, she was promoted to the Program/Event Director and received another promotion in November of 2017 to the Vice President of Operations. Kimberly is responsible for the day-to-day operations and workflow, event management, and is the staff liaison for the Leadership, Small Business, Military Affairs and Military Affairs Executive committees. Kimberly completed the 4-year Institute for Organizational Management course through the US Chamber to earn her IOM status and certificate in Nonprofit Organization Management.

Kimberly and her husband Brian are active members of United Lutheran Church serving on the evangelism committee, the youth & family ministry, and as monthly volunteer leaders. Kimberly enjoys camping, golfing, fishing, gardening, reading, attending UND hockey games and spending time with her family.
