"The Chamber has been such a key to our success in this community. The direct link to

leadership has proven time and time again that there isn't ANYTHING this community can't do when we connect the right people. From when Grand Sky was just a vision to it coming to fruition in 2017, the Chamber took every step possible to make sure this UAS Eco-system started here in Grand Forks. Everything we have done in this community with the Chamber starts with a "yes lets do it" and works its way forward with actions for a positive outcome. #BeLegendary could not be a more true statement."
