

## Tina Fetsch – Executive Assistant

Tina Fetsch began working at The Chamber in July of 2021 as the Executive Assistant. Tina will be the first face you will see when you come into the Chamber. She will be the voice you will hear answering the phones. She is responsible for the Member2Member, updating marketing information and the database. Along with these duties she is the lead to the Agribusiness Committee and looks forward to working with various members of the Chamber.

Tina is a long time resident of Grand Forks and has been involved in several community functions throughout the years. She has went through the Chamber leadership program and has great knowledge of the Chamber and it's mission. Her and her family reside in the area. She is a proud mother to three children and grandmother to 11. Tina enjoys lake time, reading, gardening, sporting events and spending time with family and friends.
