

Tina Neil – Communications Director

Tina Neil began working at The Chamber in May of 2017 as the Administrative Assistant. Her job title has evolved into Communications Director. Her primary responsibilities are managing the front desk, updating the database, managing online and print publications, along with marketing materials. She is staff liaison for the Agriculture Committee and helps with various events hosted by The Chamber.

Tina and her family reside in East Grand Forks. She has two children at home and two grown step children. She is also involved in foster care and loves helping others. Tina enjoys being social with various community organizations, spending time with family, friends and watching her kids play sports.
