How It Works

YOUR STORE

Set Up

We'll send everything you need, including the tablet. Just plug it in, customize your rewards, and go.

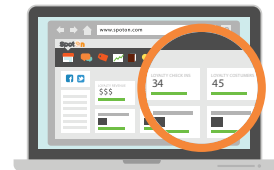

Engage Customers

Easily send new offers to customers' phones, email, Facebook or Twitter via HotSpot, your business dashboard.

Track Loyalty

With one quick scan, customers earn points when making a purchase. Your tablet logs everything.

Measure

Interactive charts and graphs help you see what's happening at the counter in real-time, anytime, from anywhere.

The Result?

Happy, loyal customers eager to come back for more.

Join the fastest-growing loyalty network
that's 6,000+ businesses strong.

What You Get.
