For Immediate Release

Chamber Membership Drive Takes Off

2011 is sure to be a year of growth and development for the Valdosta-Lowndes Chamber and community. From traditional activities to a myriad of new programs and efforts, Chamber Board of Directors, staff, members and volunteers continue to work hard to enhance Valdosta-Lowndes County business.

During the first five months of 2011, the Chamber held its Annual Membership Meeting, Members to be Heard Event, Chamber Choice Awards and Business Outlook Breakfast along with the recent Economic Summit. Additionally, the Chamber coordinated 41 ribbon cuttings, two ground breakings, 16 Leading Businesses of the Week, two professional training seminars, assisted 214 clients in the SEEDS Business Resource Center and reached 657 students through the CHOICES program.

Our membership continues to increase as the Chamber expands its efforts to enhance the economic, social and cultural well-being of Valdosta-Lowndes County. Through Chamber publications and a well established website, www.ValdostaChamber.com, the Chamber keeps its members and the community informed on ways it is working to achieve its mission.

With the membership drive now in progress, there is no better time to become a part of the Chamber and the growth of our community. Members who join the Chamber between now and the end of the June will receive special offers provided by Chamber members. For more information on becoming a Chamber member, please contact Betty Morgan or Cathy Hanson at 247-8100.

Without the efforts of individual community members and businesses working together, the Chamber would not have the leadership it needs to help Valdosta-Lowndes County prosper. Whether you are an individual or a business we invite you to join the 1,500+ Leading Businesses this month as we work together to lead the Valdosta-Lowndes County community.
