Chamber to hold regional Small Business Conference

The Valdosta-Lowndes County Chamber would like to invite all small business owners to the inaugural Chamber Small Business Conference on Wednesday, Sept. 14 at the James H. Rainwater Conference Center. This half-day seminar, sponsored by Southwest Georgia Bank, will provide attendees with practical, real life information that can be implemented immediately to grow their business.

Receive information regarding basic, fundamental issues business owners face every day including: identifying ways to improve cash flow, increasing your company's visibility on a tight budget, preparing your financials for lending, understanding the "true" costs of your business and knowing the worth of your business.

Keynote speaker, Bob Williamson, CEO of Williamson Group USA, will share his personal turnaround from a homeless drug addict to a multimillionaire and award-winning business person and entrepreneur.

Join small business owners from across our region to learn proven ways to take your business to the next level. Registration is \$25 for Chamber members and \$30 for all others. Visit www.ValdostaChamber.com to register or receive more information. The deadline to register is Sept. 14.
