“Leave the Technical Stuff to Us.”

Is your computer giving you a headache? Is your current phone system just not cutting it? Let Select Tel Systems give you a hand. We have been in business for 15 years and are able to offer many services including the following:

- Infrastructure Cabling and Fiber Optics
- Telephone Systems/VoIP
- Security and Fire Alarm Systems
- Network Engineering
- Computer System Engineering
- Custom Software Development
- Web Design and Hosting

So if you've got technology headaches, we have your remedy. Give us a call and let one of our project managers assist in providing for your technological needs! Ask us how our ShoreTel VoIP Systems can help save you money on your Telephone Services!
