

3rd Annual Run for the Children

The Children's Advocacy Center would really appreciate your support either through a sponsorship or if that isn't possible, distributing the registration forms to those you know or your customers.

Times are super tough this year, but this is really the most important time to support the CAC because as the financial crisis worsens so does the abuse of children. If you have any questions please contact either Brenda Johnson, the CAC's Executive Director 245-5362 bjohnson@caclowndes.org or Courtney Sheeley this year's Race Director cdsheeley@dhr.state.ga.us. They will need to have the sponsorships in by the 28th in order to make sure your logo can be put on the T-shirt.
