

Hope everyone had a great summer! Now with school back and South Georgia sports picking up, we know everyone's schedule will become really full! Why not let us help you with dinner!

Jessie's "On-the-Go" provides a homemade meal that the whole family will love. We have provided a menu for the month with different meal options for each week. Pick out your dinner, then email or call me the day before by 3:00 pm and your dinner will be ready for you at Jessie's Eats and Treats. All that you need is to take it home, heat it in the oven, and ENJOY!!

Please let me know if there are any items you want added for the next month. Become a member of the "On-the-Go" club - order a meal once a week and get a FREE gallon of tea or lemonade!

Need some great tea or homemade lemonade? Just let us know. Also, please look at the desserts and add to your meal!!
