Supervisor Essentials: Moving Forward in a Slow Moving Economy

Valdosta, Ga.— ‘Supervisor Essentials’ will be held on Feb. 9 from 8 a.m.-noon at the Georgia Department of Labor. This workshop session is designed for anyone looking to increase business productivity by doing ‘more with less’ while creating a more efficient work environment. Supervisor Essentials will provide you with necessary tools to help your business thrive in a slow moving economy.

Supervisor Essentials will consist of three workshop sessions led by business leaders from the Valdosta community: Bob Montgomery (Wild Adventures), Dr. Denise Bogart (Valdosta State University) and Walter Hobgood (Express Employment Professionals). Topics include ways to increase communication between managers and employees, conduct performance reviews to foster staff development and accomplish measurable and observable strategic goals.

Breakfast and lunch will be provided, giving attendees the opportunity to network with other business professionals in the community. The event is \$25 for Chamber members and \$45 for non-Chamber members. Supervisor Essentials is guaranteed to be one of the best investments of time and money you can make this year.

Supervisor Essentials is a Valdosta-Lowndes Chamber of Commerce initiative with the goal of developing stronger leadership for a highly qualified workforce.
