VALDOSTA — Supervisor Essentials will be held from 8 a.m.-noon on Wednesday, Feb. 9, at the Georgia Department of Labor. This workshop session is designed for anyone looking to increase business productivity by doing more with less while creating a more efficient work environment. Supervisor Essentials will provide participants with the necessary tools to help their business thrive in a slow moving economy.

Supervisor Essentials will consist of three workshop sessions led by business leaders from the Valdosta community: Bob Montgomery (Wild Adventures), Dr. Denise Bogart (Valdosta State University) and Walter Hobgood (Express Employment Professionals). Topics include ways to increase communication between managers and employees, conduct performance reviews to foster staff development and accomplish measurable and observable strategic goals.

Breakfast and lunch will be provided, giving attendees the opportunity to network with other business professionals in the community. The event is \$25 for members of the Valdosta-Lowndes County Chamber of Commerce and \$45 for all others.

Supervisor Essentials is a Valdosta-Lowndes County Chamber of Commerce initiative with the goal of developing stronger leadership for a highly qualified workforce.
