**Training Classes Scheduled for New Volunteers
For Hospice of South Georgia and Langdale Hospice House**

When: Saturday, September 11, 2010
8:30 a.m. until 3:00 p.m.

Where: Hospice of South Georgia Administrative Building
Classroom, 2263 Pineview Drive, Valdosta

Why: Because volunteers are the Heart of Hospice! They share their talents to help patients, families, and the staff of Hospice. Volunteering can take place in care settings of patient homes, the Langdale Hospice House, assisted living communities, or nursing homes; at the Hospice office, or at various community programs where Hospice of South Georgia has a presence. Volunteers can help according to their schedules, and the gratitude for their help is very rewarding!

How: Call 229-249-4100 or 1-800-HOSPICE to register or for questions about training. You can also visit our website,

www.hospiceofsouthgeorgia.org to print out a volunteer application!
