Rising Grade K-5 Camps

*Camps Located at Ridge Road Elementary
Instructors: Glisa Turner & Tricia Archer*

S.T.E.M.

Date: Monday, June 6 **Time:** 8:00-11:30

Description: Magnetic slime, catapults and building boats... OH MY! Children will have so much fun, they will not even realize they are learning about Science, Technology, Engineering, and Math!

Mixed Media Art

Date: Monday, June 6 **Time:** 12:30-4:00

Description: Create a whimsical, one-of-a-kind piece of art using a variety of techniques. Mixed media art uses fabrics, papers and a variety of painting techniques to create an art piece. Your child will create a personalized piece of art and have lots of fun in the process! Artwork will be on 11x14 wrapped canvas.

Grossology

Date: Tuesday, June 7 **Time:** 8:00-11:30

Description: "EWW," "YUCK," and "GROSS" are just some of the words your child is sure to say as we explore the science behind disgusting bodily functions. Some topics of activities include scabs, vomit, burps, and dissecting owl pellets.

Mad Scientist

Date: Tuesday, June 7 **Time:** 12:30-4:00

Description: POP! BANG! FIZZ! Explore the exciting world of Science through hands-on experiments, investigations and creations. Your child will be amazed as they learn about chemical reactions and how science can create "magic."

Princess Camp

Date: Wednesday, June 8 **Time:** 8:00-11:30

Description: Put on your favorite princess dress and get ready to dance, sing, and create! Activities include painting a fairy house, making frozen slime, princess canvas painting, and learning princess etiquette. The session will end with a tea party.

Color Crush

Date: Wednesday, June 8 **Time:** 12:30-4:00

Description: We will explore the wonderful world of color. Your child will participate in a variety of rainbow activities, including rainbow explosions, rainbow bubble painting and t-shirt tie dye!

Price: \$30 per Camp

- Limit of 20 participants per camp

Rising Grade 3-5 Camps

Camps Located at Ridge Road Elementary

S.T.E.M.

Dates: June 6 - June 10 **Time:** 9:00-12:00

Description: STEM Camp is designed to give students the opportunity to explore science, technology, engineering, and math as they rotate through different hands on stations over a one week program.

Instructor: Cheryl Talbott (ctalbott@washington.k12.ga.us)
Price: \$35, limit of 25 participants

Computer Programming

Dates: June 13 - 17 **Time:** 9:00-11:30

Description: Have you ever been interested in creating your own game or making an animation that will do what you program it to do? We will spend these 5 days learning to code and program a computer using the SCRATCH programming language. No prior coding knowledge needed. This class will take you from a basic computer user to someone who can create a game and showcase it online. Participants will complete the class with a functional online game that will be housed on a website that can be played anywhere with Internet access.

Instructor: Leigh Holtapp (lhoptapp@washington.k12.ga.us)
Price: \$30, limit of 25 participants

Painting for Beginners

Date: June 20 **Time:** 9:00-11:30

Description: In one session, students will learn to paint with acrylic on canvas. Students will be shown step by step how to create a 16x20 masterpiece that is all their own. We will all do the same painting, but participants will be able to choose the colors and styles of the picture. All students will leave that day with a completed painting. Participants will need to wear old clothes because acrylic paint does not come out of clothing easily.

Instructor: Leigh Holtapp (lhoptapp@washington.k12.ga.us)
Price: \$30, limit of 25 participants

ART-RAGEOUS

Dates: June 21 - June 24 **Time:** 8:30-12:00

Description: This summer camp will introduce children to basic art skills. Participants will use many types of media and materials to create a variety of different pieces of artwork along with learning techniques and history about some pieces. A variety of activities will include Paper Mache, canvas Art, Pointillism, sketchbooks and much, much more...

Instructor: Angela Lamb (alamb@washington.k12.ga.us)
Price: \$50, limit of 15 participants

Rising Grade 6-8 Camps

Camps Located at T. J. Elder Middle School

EMS Lady Hawks Basketball

Dates: May 30 - June 30 **Time:** TBD

Description: EMS Lady Hawks will host summer league basketball for EMS students interested in playing basketball next season. Participants will practice and/or participate in surrounding camps and league scrimmages Monday-Thursday each week. Student participation in summer league does not guarantee a spot on the team in the fall.

Instructor: Gre' Shun Nicholson (gnicholson@washington.k12.ga.us)
Cost: \$40

S.T.E.M.

Dates: June 6 - 10 **Time:** 9:00-12:00

Description: STEM is a popular acronym for the fields "Science, Technology, Engineering, and Math,," designed to demonstrate their interconnectedness. During these 5 days, students will participate in various hands-on and team building activities. At the end of the camp, students will have a better understanding of how these four areas are connected.

Instructors: Tamiko Watts (twatts@washington.k12.ga.us)
Nicki Coneway (nconeway@washington.k12.ga.us)
Price: \$50; limit of 20 participants

Art Camp

Dates: June 8 - 9

Time: 8:30-12:30

Description: Each student will use acrylic paint on a 16x20 canvas to create a personal masterpiece. There will be several ideas/subject matters each student may choose from. Additional art and painting projects will also be completed as well as a collaborative project to be proudly displayed at EMS.

Instructor: Alecia Hodges (ahodges@washington.k12.ga.us)
Price: \$40; limit of 20 participants

Theatre

Dates: June 13 - 17 **Time:** 8:30-4 (M-Th) 8:30-5(F)

Description: Blending instructional and performance opportunities, EMS summer theatre camp will introduce students to the basics of acting, movement on stage, improvisation, and musical choreography through the use of theatre games, exercises and practical performance opportunities.

Instructor: Tania Brown (tbrown@washington.k12.ga.us)
Cost: \$40; optional t-shirt is \$12

Sweet Sounds of Summer

Dates: June 22 - 23 **Time:** 9:30-11:30

Description: To encourage sight reading and sight singing skills, reading music notation and appropriate singing skills for the young, changing, adolescent voice. In the two-day session, participants will learn to sing vocal warm-ups, voicing for a unison to two-part ensemble, chorus, and minimal choreography for a show choir venue.

Instructor: Belinda Wansley (bwansley@washington.k12.ga.us)
Price: \$35
