**GET THE MOST FROM YOUR CHAMBER.
ACCOMPLISH VISIBILITY WITH US.**

Community Impact

Community comes before commerce at the Chamber.

Our strong commitment was demonstrated with a clothing drive with Easter Seals, the Joy of Giving toy drive with Lucas County Children Services, and the Cherry Fest which provided our local Veterans Memorial Park with a percentage of funding, while bringing communities together to have a fun and family-filled experience.

Join us in this movement to rise our community together.

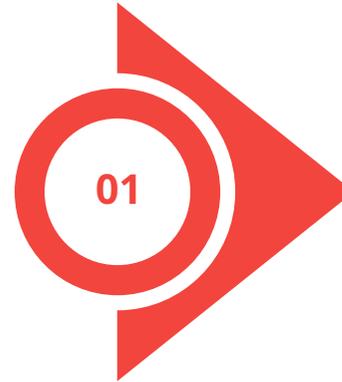

Diversity & Inclusion

The Chamber's goal is to foster meaningful discussions on diversity and inclusiveness, as a priority in business and community.

Courageous conversations to feed our fundamental need to belong; from our place of business to our place of residence.

The Diversity & Inclusion education and events include interactive and dynamic opening and keynote panel speakers, with an emphasis on exercises and activities to build awareness and understand equality to everyone.

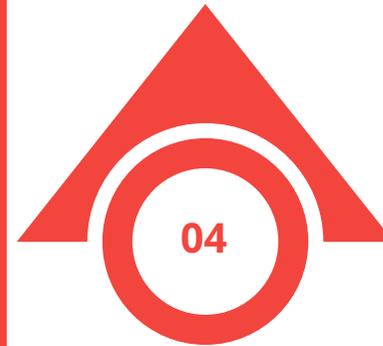

RELATIONSHIP ROADMAP
