

An Easy Way to Offer an Important Discount Program

The VisionSavings Eyecare Program

MetLife®

Everyone's talking about laser vision correction, especially LASIK, a procedure that has enabled millions of Americans to significantly reduce or totally eliminate their need for glasses or contact lenses.

With the VisionSavings Eyecare Program, employees qualify for discounts off LASIK surgery. The laser network includes hundreds of LASIK surgeons nationwide.

- **Choice** – Employees can select from surgeons at various prices (in most markets).
- **Assured Savings** – Employees will receive a substantial discount on the surgeon's lowest advertised price.
- **One All-Inclusive Price** – Employees will not be charged for post-operative care or enhancements during the first year following surgery.
- **Prescription Reimbursement** – Out-of-pocket expenses for initial post-operative eye drops are fully reimbursed, if prescribed by the employee's surgeon (excludes artificial tears).
- **Convenient Financing Options Available**

The VisionSavings Eyecare Program¹ is a vision discount program available to small employers² who offer MetLife dental benefit plans. The program provides affordable vision care services for employees.

The VisionSavings Eyecare Program offers eyecare and eyewear savings with convenient access to a nationwide network of thousands of participating eyecare providers and optical retailers, including:

- Pearle Vision³
- Sears Optical
- Target Optical
- JCPenney Optical

Employees qualify for discounts on eye exams, glasses, contact lenses and LASIK surgery. Plus, employees can use Contacts Direct,[®] a mail-order contact lens replacement program for additional savings and convenience. See the reverse side for more details on savings.

What's more, there are no enrollment or claim forms and no membership fees. Plus, using this value-added program is convenient and easy:

- Discounts can be used by the entire family, as often as needed
- Participating providers located nationwide
- Easy to implement and administer
- No minimum participation requirement
- All employees are eligible for eye examinations
