

# **ANTHONY WAYNE COMMUNITY TOWN HALL**

## **FROM ALCOHOL TO MARIJUANA TO PILLS TO STREET DRUGS TO THE OPIOID EPIDEMIC**

*Please join us to hear from medical, prevention, treatment and juvenile justice experts, a family member of an addict and the DART team to learn how YOU can do make a difference in our community.*

### **LEARN:**

- What are we doing to educate the youth in the Anthony Wayne area about drug use/abuse.
- What are the youth trends towards alcohol and drugs?
- What are signs and symptoms family members can look for that may indicate drug use/abuse by a family member?
- How many alcohol and drug related cases have been presented to the Youth Assessment Center ?
- How does DART serve families?
- How many overdoses have been reported in Lucas County in 2017?
- How is the medical community helping to reduce drug abuse and addiction?
- What treatment options are available?
- How can parents and community members help?
- What resources are available?
