## WHO ARE WE?

Spotlight Studio is a family friendly, community oriented dance school that instills the love of dance in students through a fun, structured environment. Being accessible to the community will allow the art of dance to be available to everyone.

## WHY ADVERTISE?

Our annual recital is a professionally produced production that will take place at the Maumee Indoor Theatre. The theatre seats over 400 people along with many families that volunteer backstage. This means that hundreds of local residents will be viewing our program and most will keep it as a memorable keepsake. This is a wonderful opportunity to advertise your business while helping to build the dance program within the local community.

Please follow the recommended criteria for designing your ad for proper printing and formatting in the program.
