

DEA EL PASO

Drug-Free Workplace Engagement

**LEARN HOW TO SAVE MONEY ON YOUR
WORKPLACE INSURANCE PREMIUMS BY
BECOMING A DRUG-FREE WORKPLACE!**

Calling all local business owners, managers, and human resources professionals working in hands-on, service-oriented industries such as construction, retail, food and beverage, hospitality, manufacturing, and transportation.

Substance use and mental health challenges can impact workplaces across the country. This interactive training is designed to equip local business leaders with the tools to implement effective, legally compliant Drug-Free Workplace Programs that support both prevention and recovery and offer savings on workers compensation insurance premiums.

This training is a must for any business leader committed to creating a safe, productive, and compassionate workplace. Whether you're starting from scratch or looking to strengthen your existing policies, you'll leave with actionable insights and resources.
