ABOUT THE CAMPS

YOUTH CAMP (June 15-17, July 13-14)

Our Youth Camp is focused on teaching a variety of ways to score the basketball. It will include working on shooting off the move and off the dribble, finishing around the basket in what we call 'Finishing School,' and teaching how to gain an advantage prior to receiving the ball.

3 on 3 Camp (September 20)

Our 3 on 3 camp is a great opportunity to be coached by the Simpson Women's & Men's Basketball coaching staffs & players. Campers will play live competitive games & develop offensive & fundamental skills.

SHOOTING CAMP

(May 19, June 25, July 23, August 11, September 13)

Our one-day basketball shooting camp offers training focused on enhancing shooting skills. Participants engage in a series of drills designed to improve shooting accuracy, technique, and confidence on the court. This camp provides personalized instruction tailored to each player's level. Through targeted feedback, attendees gain valuable insights into proper shooting mechanics, footwork, and shooting off the dribble. The camp encourages players to push their limits and refine their shooting abilities in a fun and engaging setting.
