Harrisburg EDC Grant

The Harrisburg Economic Development Commission has created a funding pool of \$10,000 annually to be dedicated to help small businesses in the city limits of Harrisburg make needed improvements to the exterior of their buildings, to their parking lots or grounds. The goal of the grant is to assist small businesses in making capital improvements to their buildings, to make businesses in Harrisburg more competitive by helping improve their access and signage and to assist in the beautification of the community.

We will be accepting applications beginning February 1st, 2021 at 8am and ending March 1st, 2021 at 4pm.

Email Morgan at harrisburgchamber2015@gmail.com or stop by the Chamber office 200 East Jackson St. for an application
