The purpose of the Irwindale Educational Foundation, a 501(c)(3) non-profit organization, is to grant scholarships to qualified Irwindale residents and employees and their families of Irwindale Chamber member businesses located in Irwindale, to improve their opportunity for career development. The program offers limited financial assistance for first-time college and vocational students and for continuing students making good academic progress. Grants are also available to employees and family members of a company that is a member in good standing of the Irwindale Chamber of Commerce and whose company is located in Irwindale.

The IEF "BBQ on the Green" at MillerCoors is a major fundraising effort the Foundation undertakes, so your support is very important.
