Surfin' Safari – A Tribute to The Beach Boys brings the iconic surf-rock sound to life on Saturday, July 25th at 7:00 PM (doors open at 6:00 PM). From the golden days of Southern California's surfing craze—filled with big waves, fast cars, and endless summer vibes—The Beach Boys defined a generation with their unmistakable harmonies and feel-good hits.

This high-energy tribute dives deep into the band's legendary catalog—from early favorites like "Fun, Fun, Fun" and "I Get Around" to the rich, layered masterpieces of "Wouldn't It Be Nice" and "God Only Knows," inspired by the genius of Brian Wilson.

Featuring seven seasoned musicians from the Kansas City area—with nearly 300 years of combined live performance experience—Surfin' Safari delivers an authentic and electrifying concert experience. With ties to the Kansas Music Hall of Fame and a passion for precision, this group is dedicated to recreating the signature sound and spirit of The Beach Boys.

Every note is crafted with care, but make no mistake—this is more than a concert... it's a full-blown beach party for fans of all ages!
