Vino & Notes is a Wine Tasting and Music Festival hosted by Habitat for Humanity of Colorado. All funds raised will go towards housing families in our Teller County community. Come spend the day in Woodland Park enjoying delicious wine, chocolates and cheeses. Sit on the grass and listen to our live music, headlined by Tiny Barge and the Big Chill.

In past years, Vino & Notes emphasized the wine tasting aspect of the festival. This year, we are increasing our focus on the music. We want the music and the wine tastings to complement each other while creating a relaxed, entertaining atmosphere throughout the park. We are spreading out the event and building a music stage in the Music Meadow, placing the music outside of the exhibitor pavilion area to give attendees more space to enjoy wine and listen to the music.

The wine tasting festival will end at 6:00 p.m., music will continue until 8:30 p.m.

The annual Victor Pack Burro Race will kick off at Noon in downtown with racers from across the region competing for cash prizes. The furry four-footeds are historically dubbed the Rocky Mountain Canary for their role in underground mining; the burros were used above ground during the gold rush era for hauling heavy loads, but also underground in the mines for the same tasks.

Today the burros are beloved symbols of days gone by and are, along with their trainers and human counterparts, the centerpiece of this event.

The race kicks off at noon in downtown. But there is much more to do before and after. Check STCFG.com for more events and details.
