Old 99 Days

All Day

Marlena Sparkman, (530) 616-8638

marlena@norcalshoppers.com

The Willows Area Chamber of Commerce is hosting our 1st Annual Old 99 Days event which will be taking place in Willows, CA from Saturday, August 14 to Friday, August 20. This event will feature a wide range of activities taking us back to the days when Old Highway 99 was the main road through Glenn County. Our focus is to bring people from outside the county into Willows with fun, entertaining, educational, and historic events and information.

One such event will be at the Willows Airport on Sunday, August 15 at 10 a.m., and will have information about when General Jimmy Doolittle trained there for World War II, and Lt. Floyd Nolte who invented air tankers and air seeding in Willows.

As a way to encourage local children to understand about the importance of local agriculture -- and especially our rice history -- there will be a fun Rice Treat Decorating Contest at the Willows Street Fair on Tuesday, August 17 from 5 p.m. to 8 p.m.

Our Bounty of the County Dinner will be showcasing locally grown crops that sustain our county, such as rice, olives, corn, walnuts, almonds, cheese, etc. This will be held at The Meadows on the night of Thursday, August 19. Tickets for the dinner will be on sale starting in August.

Also included in this week-long celebration will be the Community-Wide Sale and Health Fair (August 14), Willows Museum Night (August 16), '50s Costume Contest and Movie Night at the Last Stand (August 18), Poker Run and Cars and Caffeine with Carte Blanche, and many other fun activities!

This is a Willows Chamber of Commerce event.

This event is sponsored by Glenn Medical Center, Carte Blanche, Robert Burt Construction, The Last Stand, Nancy's Airport Café, Mar-Val, Glenn County Shopper, The Willows Museum, Rumiano Cheese, and Elenita's Mexican Restaurant.
