Many Hats Theatre is pleased to present the Western Canada Premiere of Love and Luna by Sandi Holland - April 10th to May 3rd.

Ahhh, retirement. That well deserved time of relaxation and contentment after a lifetime of hard work and hectic schedules, but is it really all it's cracked up to be? Love and Luna tells the story of two couples; Murray & Linda, and Ian & Becky, each of whom is looking to fill those long hours with something new and meaningful that will lead to happiness and a sense of purpose in retirement.

Linda, a mom, and a retired baker, wants to do something that will bring joy to others, like a magical time she experienced as a child. Murray, a retired salesman, lost in retirement and driving his wife crazy, is searching for a way to give back and share some of his enthusiasm with people more lost and lonely than he is. Ian wants to break out of his mundane financial advisor image and step into the spotlight like never before, and timid Becky, who has always lived vicariously through her friends' lives wants to work up the nerve to live her own 'best life'. Their searches create new dynamics in all of their relationships creating a breeding ground for humour as they support one and other and show us that you're never too old to learn and have new adventures.

Love and Luna runs from April 10th to May 3rd 2026 on the Cannery Stage at 1475 Fairview Road in Penticton. For tickets visit our website www.manyhatstheatre.com or go to <https://app.ticketowl.io/@manyhatstheatre>. For further information or assistance with ticket purchases please call 250-462-6428.

A singer, composer and actor, Lyle Lovett has broadened the definition of American music in a career that spans 14 albums. Coupled with his gift for storytelling, the Texas-based musician fuses elements of country, swing, jazz, folk, gospel and blues in a convention-defying manner that breaks down barriers.

Lovett's live performances show not only the breadth of this Texas legend's deep talents, but also the diversity of his influences, making him one of the most compelling and captivating musicians in popular music.

Since his self-titled debut in 1986, Lyle Lovett has evolved into one of music's most vibrant and iconic performers. Among his many accolades, besides the four Grammy Awards, he was given the Americana Music Association's inaugural Trailblazer Award, and was named Texas State Musician.

His works, rich and eclectic, are some of the most beloved of any artist working today.
