Beyond the Basics: Why a Simple Will Won't Safeguard your Family Legacy in Florida

Would you be surprised to know that a simple will, without additional planning, will require a court case, will cost your family attorney's fees, aggravation, and will delay the distribution of your property after you die? Join local Attorney Roberta Getzan for an engaging, in-house workshop, as she discusses the true cost of a simple will to your descendants and beneficiaries; the pitfalls of transferring your property to your loved ones during your lifetime; the consequences of your spouse remarrying after your death; how the surviving spouse in a blended family situation may become unintentionally disinherited; how you can plan for your mental and physical incapacity; and many more issues that you may not have considered when thinking about your end-of-life plan.

Join Estate Planning Attorney Roberta O. Getzan at the Morgan & Getzan office.

Note: Seating for this event is limited! Please RSVP your seat prior to the event! Thank you.
