As small businesses across the country continue to power the economy forward, First Commerce is celebrating entrepreneurial spirit with the sixth year of its Power Forward Speaker Series. The next Power Forward event will feature acclaimed investor and entrepreneur Kevin O'Leary of Shark Tank fame. From modest beginnings to building a billion-dollar business, O'Leary will share insights about life as a shark and what it takes to be successful in business and in life.

Established as Tallahassee's largest annual business event, Power Forward with Shark Tank's "Mr. Wonderful" Kevin O'Leary will be held Wednesday, Feb. 6, from 3:30 to 5 p.m. at Ruby Diamond Concert Hall on FSU's campus.

Tickets are now available for the sixth annual Power Forward Speaker Series at tickets.fsu.edu (\$40 base price for main level seating and \$30* base price for balcony seating; \$10* for students – student ID required for college students). Tickets also will be sold at the FSU Fine Arts Ticket Office (in the lobby of the Fine Arts Building at 540 W. Call St.). Sponsorship opportunities are available.*
