*Ranger-led snowshoe walks are an excellent way to learn or practice snowshoeing techniques and explore Lassen in its winter form. The walks cover one to two miles of moderately strenuous terrain. They don't follow a trail—the hike is an off-trail exploration through the forests near the Visitor Center. At the beginning of each snowshoe walk, a ranger will demonstrate how to put on snowshoes and how to move around. Once the basic techniques are covered, the group heads out into the snow and the adventure begins!*

*Please Note: Walks may be cancelled at the last minute due to extreme weather conditions. Please feel free to call (530) 595-4480 ahead to check on conditions.*

*Running with the Bears is Plumas County's brand new Boston Qualifier, and a fundraiser for foster children served by Mountain Circle Family Services. The Bears is a uniquely rural experience; goody bags, for instance, are filled with locally made products and, of course, bear bells! As runners cross the finish line, they're greeted with an ice cold beer from a local brewery (UnderCoverAleWorks), and a massage with a view of the whole valley (juice, coffee, water and hydration drinks also available of course). It's also one of few western races in August; higher elevations bring cooler temperatures- In 2011, the race-day low was 46 degrees, so be sure to bring your jacket! This event WILL sell out by early August, so please register early online at [www.runningwiththebears.org](http://www.runningwiththebears.org)*
