Dear Friends of Candlelighters,

It is our utmost pleasure to announce the inception of Brevard's newest event - The Heart of Gold Gala - benefiting Candlelighters of Brevard. We sincerely thank our community for supporting the retirement of Candlelighters of Brevard's Have-A-Heart Valentine's Extravaganza to make room for a new vision in 2020 and beyond.

Fighting pediatric cancer seems like mission impossible at times, but our Candlelighter families continue to find the courage and strength to fight the devastating disease. At the Heart of Gold Gala – we will honor these extraordinary children and recognize them for the stars they have become during their battle.

This event experience will allow you the chance to celebrate, engage and dance with the families of Candlelighters. Our evening will begin with an awe-inspiring awards ceremony that will leave you feeling over the moon. We will then journey together to the Atlantis building which offers a number of interactive gaming areas, attractions and dance floor space to fully interact with our little stars. Event elements will also include the traditional Candlelighter signature baskets, auctions, dinner buffets, bars and dancing.

You won't want to miss this chance to see the true impact of your investments of time, talent, and treasures to our organization. Our legacy has served over 300 families to date and with your help, families will continue to have a light provided during their darkest days. We look forward to this new adventure and invite you to join us as we celebrate a Night of Stars!

Sincerely,
Candlelighters of Brevard
