Forever Elvis: The Spirit Lives
Adams Friendship Fine Arts Center
1109 E. North St
Adams, WI 53910

07:00 PM - 09:00 PM CST

affaceevents@gmail.com

Adams-Friendship Area Educational Foundation presents Elvis tribute artist Art Kistler and the EP Boulevard Show Band have catapulted this classic, popular entertainment genre to an entirely new level in a performance titled "Forever Elvis: The Spirit Lives!!" This outstanding tribute production is complete with dazzling, authentic costumes and a wide variety of timeless, classic tunes.

The excitement is palpable as the band's seven seasoned professionals take the stage and build a fever pitch of anticipation by starting out like the "King of Rock 'n' Roll" did in concert, with the theme from "2001: A Space Odyssey." At the crescendo, "Elvis" enters the building in dazzling, authentic costumes and launches into a wide variety of timeless, classic tunes, a few of which have now been modernized with an impressive edge while still preserving their original identity and essence. With heart and with the soul of a true entertainer, the entire room becomes Art's stage as he interacts with members of the audience, respectfully recreating illusions of the look, signature moves, energy and powerful sounds of the King of Rock 'n' Roll.

Ticket \$20 in advance and \$25 at the door; on line at afasd.tix.com

Area youth ages 8-17 will have a chance to take to the skies on Saturday, June 22, as Experimental Aircraft Association (EAA) Chapter 931 hosts the Young Eagles Flight Rally at Adams County Airport in Friendship, WI.

Pilots at the event will also educate about their airplanes, how airplanes work and how pilots ensure safety is the primary concern before every flight. Each pilot volunteers their time and aircraft so the flights can be provided free of charge for interested youth.

Following the flight, each participant will receive a certificate making him or her an official Young Eagle. Their name will then be entered into the "World's Largest Logbook" which is on permanent display at the EAA Air Adventure Museum in Oshkosh, WI. In addition, the Young Eagles program offers other benefits such as free online aviation ground school course instruction until the age of 18 with the opportunity of receiving scholarships.

Those attending the flight rally are asked to come to the entrance/parking lot off 11th Ave, starting at 9am to register for their flight. Flights will begin at 9am, with registration closing at 1pm. Legal Guardians must be present to sign registration forms.
