chamberexec@glocoChamber.org

*Rethink. Rebound. Revitalize. Gloucester Gift Card Community Stimulus Program is an economic stimulus package designed to help our local independent restaurant and retail businesses and our residents during this COVID-19 crisis. Most businesses are struggling while enduring limited operations or have needed to completely close as a result of the "shut down orders." Our businesses and our residents, together, are the backbone of our economy and with your help, we can give our community a boost to get our local economy moving again.*

#### **HOW IT WORKS**

*When you purchase a gift card to one of our participating local independent businesses through this program, we will add 25% to your purchase up to a \$25 contribution for as long as the matching funds lasts.*

*That gives you a super deal and it gives our businesses instant cashflow in a time when they so desperately need it.*

*Gift Cards are available in \$20, \$40, \$60, \$80 and \$100 units. So, when you buy a \$20 gift card, you receive a \$25 gift card!*

*\$20 = \$25*

*\$40 = \$50*

*\$60 = \$75*

*\$80 = \$100*

*\$100= \$125*

*The business receives funds immediately and you can redeem your purchase anytime from date of purchase through November 2020.*

*What does that mean for you?*

*You will be helping your local independent business and local community. Plus a little extra money goes to our residents and local independent businesses.*
