2020 4th of July Reverse Parade Registration
Collins Pine Lawn
11:00 AM - 12:30 PM PST

We have some very exciting ideas for 4th of July celebrations and activities that will allow for social distancing and celebrations. We are currently working on details and logistics and will continue to share more as plans progress!

July 4th 2020 celebrates the 100th parade for the Greater Lake Almanor Basin!

We love our town and the patriotic spirit that is displayed during the 4th of July Holiday. With considerations to current restrictions due to COVID-19, we are changing things up a bit.

We are asking our local businesses and community to host a "reverse/drive through parade" for the entire Lake Almanor Basin. Our idea is that the area is the "parade" with local businesses and community members decorating either a storefront, making a float or both. We invite every business, group or person to participate and get creative with how you show your patriotism. Floats will be placed throughout the area for those that do not storefronts and encourage businesses from around the lake to join us. A map will be created that shows locations for people to do a "drive-by", wave their flags and check out all the floats/decorations. Since the 4th is on a Saturday, the "reverse parade" will be Friday-Sunday. Three days to celebrate the good ole' USA!

More thought on logistics: Reverse parade from Friday - Sunday.

We would offer for people throughout the entire area to be part of this from their location!

We invite any business person or group to participate if they have a location they want to decorate or place a float, If not, we can work with them on a location!

One of the ideas we have for getting people to participate is a "spot the hidden object" hunt where we have placed an item that is visible from a vehicle at select locations each day. The first person to find the object receives a prize sponsored by the float/business or group. This could be a very basic prize like a \$5 gift card. Each day of the "parade", items would be hidden at new locations. Chelsea Harrision came up with a great idea to use rubber duckies for the hidden object because it is iconic to our area and our ducky races that take place every year.

Josie Litchfield, Race Director , 5302847007

jlitchfield@mountaincircle.org

Running with the Bears is Plumas County's brand new Boston Qualifier, and a fundraiser for foster children served by Mountain Circle Family Services. The Bears is a uniquely rural experience; goody bags, for instance, are filled with locally made products and, of course, bear bells! As runners cross the finish line, they're greeted with an ice cold beer from a local brewery (UnderCoverAleWorks), and a massage with a view of the whole valley (juice, coffee, water and hydration drinks also available of course). It's also one of few western races in August; higher elevations bring cooler temperatures- In 2011, the race-day low was 46 degrees, so be sure to bring your jacket! This event WILL sell out by early August, so please register early online at www.runningwiththebears.org
