involving homeowners in taking individual responsibility for preparing their homes from the risk of wildfire. Firewise

is a key component of Fire Adapted Communities or a collaborative approach that connects all those who play

a role in wildfire education, planning, and action with comprehensive resources to help reduce risk. To save lives and property from wildfire, NFPA's Firewise USA program teaches people how to adapt to living with wildfire and encourages neighbors to work together and take action now to prevent losses. Movie: "Kung Fu Panda 4"

Town Hall Theatre

469 Main Street

Quincy, CA 95971

07:00 PM - 08:45 PM PST

After three death-defying adventures defeating world-class villains with his unmatched courage and mad martial arts skills, Po, the Dragon Warrior (Golden Globe nominee Jack Black), is called upon by destiny to...give it a rest already. More specifically, he's tapped to become the Spiritual Leader of the Valley of Peace. that poses a couple of obvious problems. First, Po knows as much about spiritual leadership as he does about the paleo diet, and second, he needs to quickly find and train a new Dragon Warrior before he can assume his new lofty position. Even worse, there's been a recent sighting of a wicked, powerful sorceress, Chameleon (Oscar winner Viola Davis), a tiny lizard who can shapeshift into any creature, large or small. And Chameleon has her greedy, beady eyes on Po's staff of Wisdom, which would give her the power to re-summon all the master villains whom Po has vanquished to the spirit realm. So Po's going to need some help. He finds it (kinda?) in the form of crafty, quick-witted thief Zhen (Golden Globe winner Awkwafina), a corsac fox who really gets under Po's fur but whose skill will prove invaluable. In their quest to protect the Valley of Peace from Chameleon's reptilian claws, this comedic odd-couple duo will have to work together. In the process, Po will discover that heroes can be found in the most unexpected places.

07:00 PM - 08:45 PM PST

After three death-defying adventures defeating world-class villains with his unmatched courage and mad martial arts skills, Po, the Dragon Warrior (Golden Globe nominee Jack Black), is called upon by destiny to...give it a rest already. More specifically, he's tapped to become the Spiritual Leader of the Valley of Peace. that poses a couple of obvious problems. First, Po knows as much about spiritual leadership as he does about the paleo diet, and second, he needs to quickly find and train a new Dragon Warrior before he can assume his new lofty position. Even worse, there's been a recent sighting of a wicked, powerful sorceress, Chameleon (Oscar winner Viola Davis), a tiny lizard who can shapeshift into any creature, large or small. And Chameleon has her greedy, beady eyes on Po's staff of Wisdom, which would give her the power to re-summon all the master villains whom Po has vanquished to the spirit realm. So Po's going to need some help. He finds it (kinda?) in the form of crafty, quick-witted thief Zhen (Golden Globe winner Awkwafina), a corsac fox who really gets under Po's fur but whose skill will prove invaluable. In their quest to protect the Valley of Peace from Chameleon's reptilian claws, this comedic odd-couple duo will have to work together. In the process, Po will discover that heroes can be found in the most unexpected places.
