February Mentor Monday
American Fork Chamber of Commerce
31 N Church Street
American Fork, UT 84003
08:30 AM - 10:00 AM MST

Mentor Monday is a new monthly Chamber program designed to provide business owners and professionals with direct access to experienced mentors who volunteer their time to help address real-world business challenges.

Held on the last Monday of each month, Mentor Monday creates a structured, welcoming environment where participants can ask specific questions, seek guidance, and gain perspective from trusted professionals with proven experience. Rather than a presentation-based format, Mentor Monday emphasizes conversation, problem-solving, and practical insight.

Each session will feature 2–3 mentors on site, available to meet with participants in a small group setting. To ensure relevance and value, each month will focus on specific areas of growth or expertise, such as marketing, finance, leadership, operations, legal considerations, or scaling a business.

The program is intentionally designed to:

Deliver tangible member value
Strengthen peer-to-peer relationships within the Chamber
Position the Chamber as a trusted connector and resource
Provide mentorship without sales pressure or solicitation

This month we are lining up mentors to go over leadership tactics and skills. They will be on-site ready to answer questions about problem solving, leading teams, and more.
